

Help us find our next fabulous team member!

We're looking for a Program Assistant/CNA

to join our Fun Sammamish Club

Great Hours (part-time days), Competitive Wage and Lots of Smiles

Help the Program Coordinator create a welcoming environment where Members participate in social group activities, and help Members to remain safe, comfortable and engaged.

Old Friends Club is a social club and daytime memory-care program offering person-centered activities for people living with Alzheimer's or other cognitive challenges. It also allows family caregivers to take a break and take care of their own needs. Many Members are fairly independent; others need cueing, mobility guidance, or hygiene assistance.

The Program Assistant is a key part of a team that includes the Program Coordinator and volunteers to support participants for success throughout the day. A fun role that truly makes a difference to people living with dementia and their families.

Responsibilities:

- Provide personal attention to members, assisting as needed with ADL's
- Support members in engaging in program activities including conversation, games, art, music, exercise, and lunch
- Maintain a safe, comfortable, welcoming environment
- Assist members with ambulation and hygiene as needed

Qualifications:

- Nursing Assistant Certification or strong equivalent experience required
- Empathy, respect, compassion and humor
- Clear spoken English

- Effective interaction and communication with people living with dementia

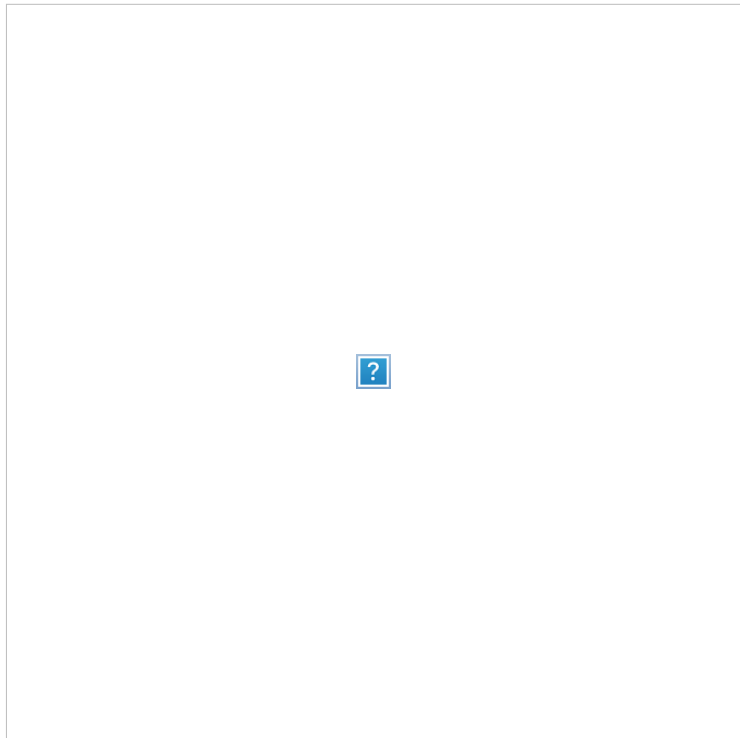

Part-time: three 6-hour days per week, including time to set-up and clean-up each day.

Monday/Wednesday/Friday from 9am to 3pm.

Salary range \$12.50 to \$15 per hour.

To apply, respond to this post with resume or work history attached.
