

# OLD FRIENDS CLUB

## A Thank You Note

Family. Friends. Home. Energy. These basic comforts are things that Old Friends Club promotes and protects for the families who connect with us. We've been raising funds to extend our reach to more families in more communities nearby—but we cannot close our eyes to the recent events

around our world relentlessly showing up in our newsfeeds. We can't forget those who have lost so much--people who need our attention, whether close to home or far away.

Thank you to those who have chosen to give to Old Friends Club. We are wrapping up this fundraiser, but of course your donation at OldFriendsClub.org is always appreciated and will be carefully put to good use. We are adding a third day to our Kirkland program on October 10, and a third location in Sammamish in November. Look for an update in the next few weeks.

If you are lucky enough to have the gift of time, Old Friends Club needs volunteers: the Kirkland and Carnation programs have immediate openings for weekly helpers with activities and lunch, and the Sammamish location when we open in November also needs volunteers. Every gift, whether of dollars or hours, is a message of support for our mission and an encouragement to continue.

Thank you!
